**MEETING SUMMARY:**

- Meeting was called to order at 1:00 PM
- Roll Call
- Furthered GSP development process through presentations and discussions under three topical areas: Management/Governance, Technical, and Communication and Engagement (C&E), as follows:
  - Management / Governance
    - Discussed status of Rancho Murieta’s participation in SRCD GSA
    - Discussed status of RD551 participation in the GSP process
  - Technical
    - Discussed need to change Master Meeting Schedule to address conflicts in September GSPWG meeting No. 7 and November Public meeting No. 2.
    - Presented introductory information regarding Water Quality Sustainable Management Criteria (SMC) development process, a preliminary list of constituents of concern (COCs), available data for COCs in the SASb, options regarding SMC development, and input needed from the GSP WG. This topic will be addressed again during WG #5 in July.
  - Communication & Engagement (C&E)
    - Discussed preparations for first Public meeting, to be held on July 23 from 6 pm to 8 pm, as a virtual meeting. Meeting materials include meeting agenda, press release, postcards, and fact sheet.
    - Presented new SASb GSP ([sasbgroundwater.org](http://sasbgroundwater.org)) website to GSPWG.
    - Discussed options for potential use of social media in advertising public meetings and disseminating outreach materials.
    - Reminded GSPWG members of their obligation to disseminate materials for the first public meeting and convey information back to their respective GSAs.
  - Supporting Materials
    - PowerPoint presentation on Water Quality SMC development process and information
    - PowerPoint presentation on Communication and Engagement activities and priorities.
- Meeting was concluded at 4:20 PM
