Brian Van Lienden	Woodard & Curran	Confirmed	BVL
Ellen Cross	Strategy Driver	Confirmed	EC

MEETING SUMMARY:

- Meeting was called to order at 9:00 AM
- Roll Call
- Furthered Groundwater Sustainability Plan (GSP) development process through presentations and discussions under three topical areas: Management/Governance, Technical, and Communication and Engagement (C&E), as follows:
 - Management / Governance
 - Discussed status of Reclamation District (RD) No. 551 participation in the GSP process, status of negotiations with Northern Delta GSA.
 - Technical
 - Discussed need for Work Group members to participate in Doodle poll to change Master Meeting Schedule to address conflicts in September GSPWG meeting No. 7 and November Public meeting No. 2.
 - Continued discussion of Water Quality Sustainable Management Criteria (SMC) development, reviewed input received from Work Group members, reviewed the list of constituents of concern (COCs), discussed options regarding SMC development, reviewed monitoring network options, reviewed available information on domestic well densities in South American Subbasin (SASb), and discussed additional input needed from the GSPWG.
 - Reviewed available information and data pertaining to the Land Subsidence sustainability indicator in the SASb. Discussed input needed from GSPWG.
 - Reviewed information that will be contained in the Basin Setting chapter of the GSP pertaining to the Plan area.
 - Communication & Engagement (C&E)
 - Discussed preparations for first Public meeting, to be held on July 23 from 6 to 8 pm, as a virtual meeting. Discussed outreach efforts by GSPWG members to distribute notices for the public meeting. Discussed GSPWG member participation in public meeting.
 - Reviewed draft C&E presentation to be given at Public Meeting No. 1.
 - Reviewed functionality of sasbgroundwater.org website portal.
 - Supporting Materials
 - Powerpoint presentation on Water Quality and Land Subsidence sustainability indicators.
 - Powerpoint presentation on GSP Plan Area.
 - Powerpoint (Working Draft) presentation on Communication and Engagement for Public Meeting No. 1 to be updated for Public Meeting No. 1
