**Meeting Summary:**

- Roll Call was taken at 1:45 pm
- Debriefed on Public Meeting #1 to inform those not present:
  - Acknowledged missed opportunity for longer discussion on GSP topics per the agenda
  - Acknowledged successful open meetings in Cosumnes Basin and interest in emulating model as set forth below
  - Acknowledged the disadvantages of opening Working Group meetings to the public
- Discussed Public’s request to attend GSP Working Group Meetings
  - GSPWG decided to open meetings and will include:
    - Sign in
    - Remain as scheduled per the pre-existing project schedule – dates will be posted in advance on the website
    - Allow for 10 minutes of public comment with 2 minutes maximum per speaker at the conclusion of agenda topics:
      - Management/Governance
      - Technical
      - Communication & Engagement
    - Chat capability will not be activated
  - Due to budget constraints, a Groundwater Modeling Workshop will not be held
- Discussed Ag-Res Public Meeting scheduled from 6:00 pm to 7:30 pm on August 6<sup>th</sup> and ability to follow up on many of the questions, comments and requests made at the Public Meeting held on July 23<sup>rd</sup>
- Concluded at 3:00 pm
